Kindergarten Care (KCare)

KCare offers care services for parents who require a full-day service for their child.

KCare provides **time** and **space** for children to **play**, **explore** and **discover** through **specially designed environments with carefully chosen resources**.

KCare aims to provide opportunities for children to develop confidence in communicating with others, social skills, self-help skills and values such as responsibility, care and respect.

KEY FEATURES

Exploration and discovery through play

Importance of play

Specially designed environment and carefully chosen resources

Importance of environment

Children's choice serves as the impetus within the created environment

Benefits of child-initiated play

Large blocks of time for indoor and outdoor play

Importance of continuous periods of time for play (e.g. 1 hour)

Opportunities for mixed-age play

Benefits of mixed-age play and interaction (K1 and K2)

PROGRAMME

Modular Activities provide opportunities for continuity of children's experiences in different areas of interest across a week. By entering **immersive environments** that excite them to **explore and discover through play**, children get to engage in **deeper and more complex** forms of play.

Modular Activities	Purpose
Art & Craft Tinkering	For children to imagine and create
Cookery	For children to develop independence and self-help skills
Music, Movement & Dramatisation	For children to develop confidence and communication skills
Gardening (outdoor)	For children to find out more about the world around them through varied sensory experiences
Sand & Water (outdoor)	

PROGRAMME

Free Play provides opportunities for children to choose what and who they want to play with, and how they want to play. They take place in two areas that provide children with a range of play experiences that can inspire their **creativity and imagination**.

KCare FEES

Monthly fees for KCare 2022

	KCare fees	Basic Subsidy	Additional Subsidy	Parent pays
Singaporean	S\$360	S\$150	Variable depending on eligibility – HHI and PCI	S\$210
Permanent Resident	S\$360		Not Applicable	S\$360

Subsidies are provided by MOE in 2 tiers:

Basic Subsidy: All SC children are eligible for and automatically given a Basic Subsidy of \$150 / month.

Additional Subsidy: Tiered according to income for SC children provided they meet the following

- ✓ The mother/single father of the SC child is working 56h or more per month; and
- ✓ The family's total monthly HHI is no higher than \$12,000 or the PCI is no higher than \$3000

Note: The child **must attend at least 1 day of KCare** to qualify for the monthly subsidies.

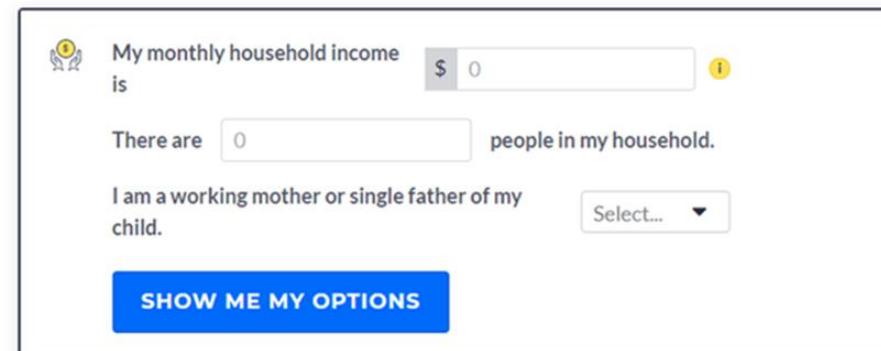

KCare Subsidy Eligibility Checker

- You may use the KCare Eligibility Calculator on the MOE Internet to check whether your child is eligible for the additional KCare subsidy:

<https://beta.moe.gov.sg/preschool/moe-kindergarten/kindergarten-care/>

KCare subsidy eligibility checker (applicable for SC child only)

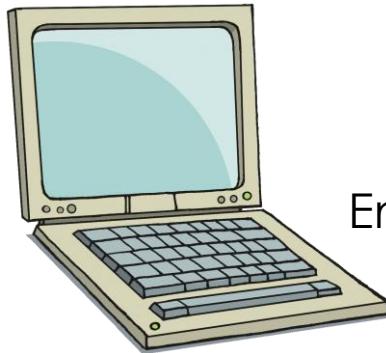

An additional subsidy is also provided and this is tiered according to income levels. Enter the details to check whether your child is eligible for the additional subsidy:

The screenshot shows a web-based form for checking KCare subsidy eligibility. At the top left is a small icon of a person holding a dollar sign. To its right, the text reads "My monthly household income is" followed by a text input field containing "\$ 0". To the right of the input field is a small yellow information icon with a question mark. Below this, another text input field contains the number "0", followed by the text "people in my household". Underneath these fields, there is a statement "I am a working mother or single father of my child." followed by a dropdown menu labeled "Select...". At the bottom of the form is a blue button with the white text "SHOW ME MY OPTIONS".
